

**Steps to take an exam in Internet Explorer:**

1. Go to <http://yourschool.onlinemlpa.com>.
2. Ensure that the browser is not in Compatibility Mode (greyed out broken page icon indicates that Compatibility is disabled, click to toggle).

3. Login or create an account and login.
4. At the Test Selection screen click the Compatibility Mode button (blue broken page icon indicates that Compatibility is enabled, click to toggle).

5. Take the exam.
6. Complete the exam and view score.
7. If you need to take another test, turn off compatibility mode, logout and return to step 1. If not, continue to step 8.
8. Close the browser and log off of the computer.
