

## ADDING A COURSE TO YOUR EXISTING SNAP 2013 ACCOUNT

To add another course to your existing SNAP 2013 account, complete the following steps:

1. Go to <http://snap2013.emcp.com>.
2. Click *Student Registration* in the New Student? section.

3. Click *Add Another Course* at the Student Registration page.

4. At the Course Signup page, enter your login name and password.

**Enter Your Login name and Password**

Login name\*

Password\*

5. In the Course Enrollment section, enter the Enrollment Key you received from your instructor for the new course.

**Course Enrollment**

Enrollment Key\*

6. Click *Add Course to My Account*.

A rectangular button with a dark blue gradient background and white text that reads "Add Course to My Account".

**Add Course to My Account**

7. Review your course and section names that appear on the Confirm Course Information page. If the information is correct, click Confirm Course. Then click Continue.

8. Log in at the USER LOGIN section of the SNAP 2013 login page using your login name and password. At your Home page, click the course name in the Course Pane on the left.
